Rick joined the Pinnacle Land Development team in May 2015, as the CFO for Hemstreet Development Corp. He has 40 years in the accounting field with careers in public accounting, commercial property management, education and small businesses, all in Arizona. Rick has many years of experience building and leading finance teams in a variety of industries with significant operating scale and complexity.

Rick is highly regarded as part of the executive team at Hemstreet Development. He also works closely with the Pinnacle Land Development Partners Greg A. Hemstreet and Randal S. Clarno. Rick is an integral piece when it comes to securing lender financing and overseeing project accounting. His experience and analytical skills are important in the management and accounting for multiple deals for Pinnacle Land Development has executed.

Rick is the father of two 20 something sons, and his outside activities include golf, running and cycling. He has completed an Ironman competition, and over 50 triathlons throughout the U.S.
